

# EARLY MARRIAGE RECORDS OF LYON COUNTY, KANSAS

Volume 1

October 25, 1885 to July 1, 1887

Compiled by Regina Falcetto  
From Original Lyon County Vital Records  
at the Lyon County Historical Society

## Introduction

### Early Marriage Records of Lyon County, Kansas

This book is intended to be a research aid for those tracing their Lyon County, Kansas ancestry. The information in this book was obtained from Volume 1 Vital Records Book which was maintained in Lyon County, Kansas prior to the state wide retention of these records. The Kansas Department of Health and Environment, Office of Vital Statistics, Landon State Office Building, 900 SW Jackson, Rm. 151, Topeka, KS 66612-2221, has birth and death records since July 1, 1911, marriages since May 1, 1913 and divorces since July 1, 1951. To verify current fees, call 785-296-1400.

Due to the difficulty of interpreting handwriting and spelling in old records, it is impossible to do a book of this kind without errors. The records were extracted as written, including misspelled words. For this reason, it is suggested that the record be reviewed.

The records are not in any order. An index in the back contains the brides, bride's maiden name, bride's father, bride's mother, groom, groom's father and groom's mother. In the comments section, there is a reference to the book and page number of the actual marriage record and license. The marriage record and license contains the name of the groom, bride, their ages, places of residence, date of license, date of marriage, minister and place of marriage.

It is not suggested that these are the only marriages that took place in Lyon County, especially in the early years. In addition to the original marriage license and records, another source of marriage records are the indices to many early newspapers compiled by Bob Hodge. There are newspaper accounts of some marriages occurring in Lyon County that are not recorded in the marriage records.

Copies of the page from the Vital Records Book that contains a specific record are available from the Lyon County Historical Society, 118 E. 6<sup>th</sup> Ave., Emporia, KS 66801 or the Flint Hills Genealogical Society, PO Box 555, Emporia, KS 66801-0555. FHGS can also provide copies of the marriage license and records cited in the comments field. Contact Flint Hills Genealogical Society for any research needs, copies of this book, or a list of other publications available.

Thank you to Greg Jordan, Director, Lyon County Historical Society for his accommodations and support of this project.
